

Quality Policy

Jean Cannon Consulting is committed to managing its operations to the highest achievable standards and quality and will demonstrate this commitment with compliance to ISO 9001:2000.

We have a long-term vision to ensure that the Jean Cannon Consulting and the Enviro Action name is synonymous with the provision of superior products and services while maintaining profitable and sustainable practices.

We are committed to a process of continual improvement across its entire operation and to regularly review its quality objectives to ensure that the company maintains its position as a leader in environmental, safety and quality management services.

Our customers' needs are fundamental to our operation and all personnel need to be actively listening to customers to ensure that they are delivering the quality their customers' request. Jean Cannon Consulting will always be proactively improving its quality by actively seeking and incorporating feedback from its customers.

Jean Cannon Consulting is committed to being aware of, and meeting all regulatory and industry requirements.

This policy with its emphasis on customer needs, reduction of interruptions and continual improvement is fundamental to our operations and shall be clearly communicated and understood throughout the company.

Signed
